During the meeting, the Working Group will review and discuss the content of the five draft chapters that will be part of the Report to Congress. Persons who wish to receive the draft

document should email the tickbornedisease@hhs.gov and request a copy. The document will be available prior to the meeting.

*Background and Authority:* The Tick-Borne Disease Working Group was established on August 10, 2017, in accordance with section 2062 of the *21<sup>st</sup> Century Cures Act*, and the Federal Advisory Committee Act, 5 U.S.C. App., as amended, to provide expertise and review all HHS, DoD and VA efforts related to tick-borne diseases to help ensure interagency coordination and minimize overlap, examine research priorities, and identify and address unmet needs. In addition, the Working Group is required to submit a report to the Secretary and Congress on their findings and any recommendations for improving the federal response to tick-borne disease prevention, treatment and research, and addressing gaps in those areas.

**Dated:** May 31, 2018.
